How did you hear about Yoga Dana Foundation?	

# Yoga Dana Foundation

## Letter of Intent

### Project Purpose and Impact

**MISSION** How does your organization bring yoga to the underserved? Please describe the project for which you are applying for funding.

**BENEFICIARIES** What community does your project serve and describe how that community is underserved. What specific needs in the community is your project addressing?

**IMPACT** What is the intended impact of your project and how do you measure the progress of your work? List three specific goals you have for the year to come.

**PARTNERS** Are you working in partnership with any organizations or institutions to bring yoga to the underserved? List and describe any notable partnerships.

**BUDGET** Include a project budget for the year to come and a list of current funders (both pending and secured) .
